

Abstract geometric lines in black, forming various polygons and overlapping shapes, primarily located in the upper left and center of the page.

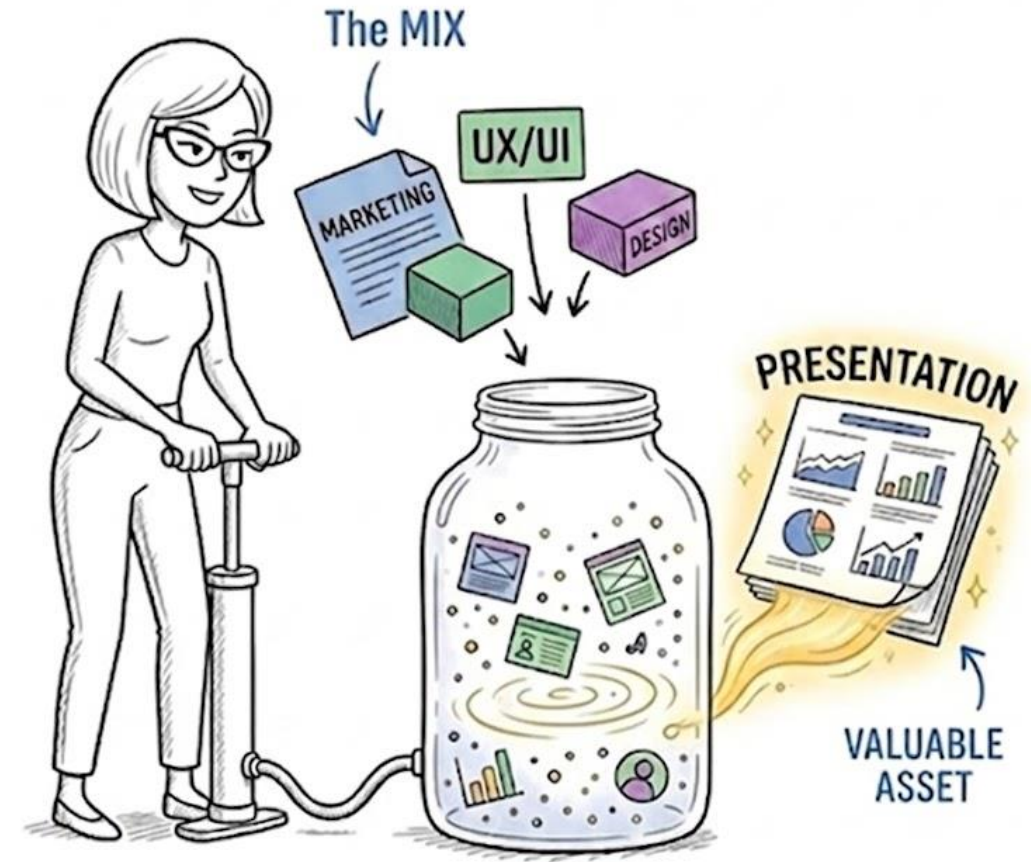

COVER LETTER FOR THE PRESENTATION DESIGNER POSITION

Anna Khudokormova

Hello Ethos team,

I'm Anna Khudokormova,
a Presentation Designer & Strategist
with a background in marketing,
as well as UX/UI and digital product
design.

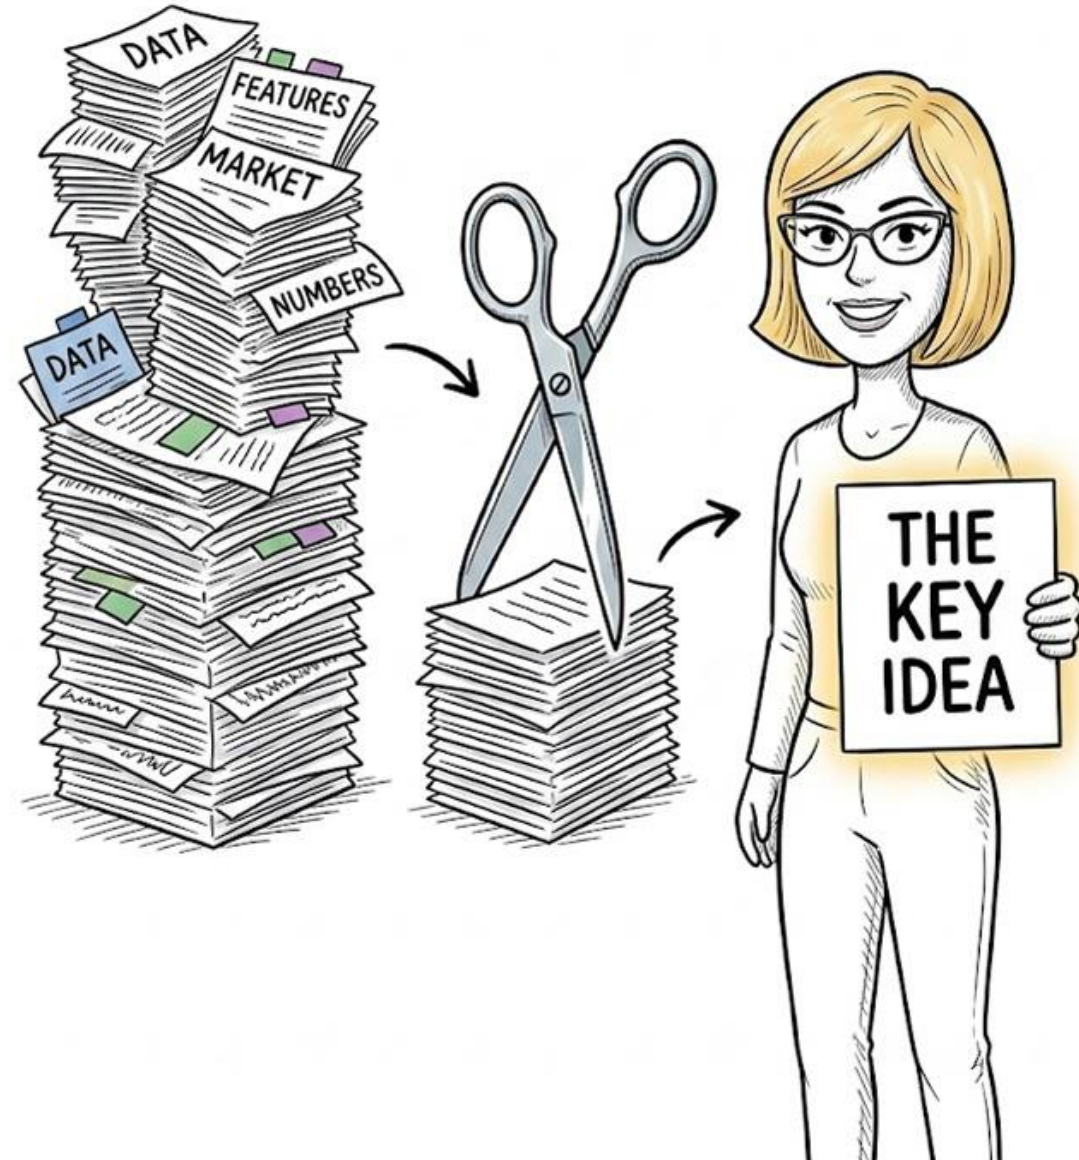

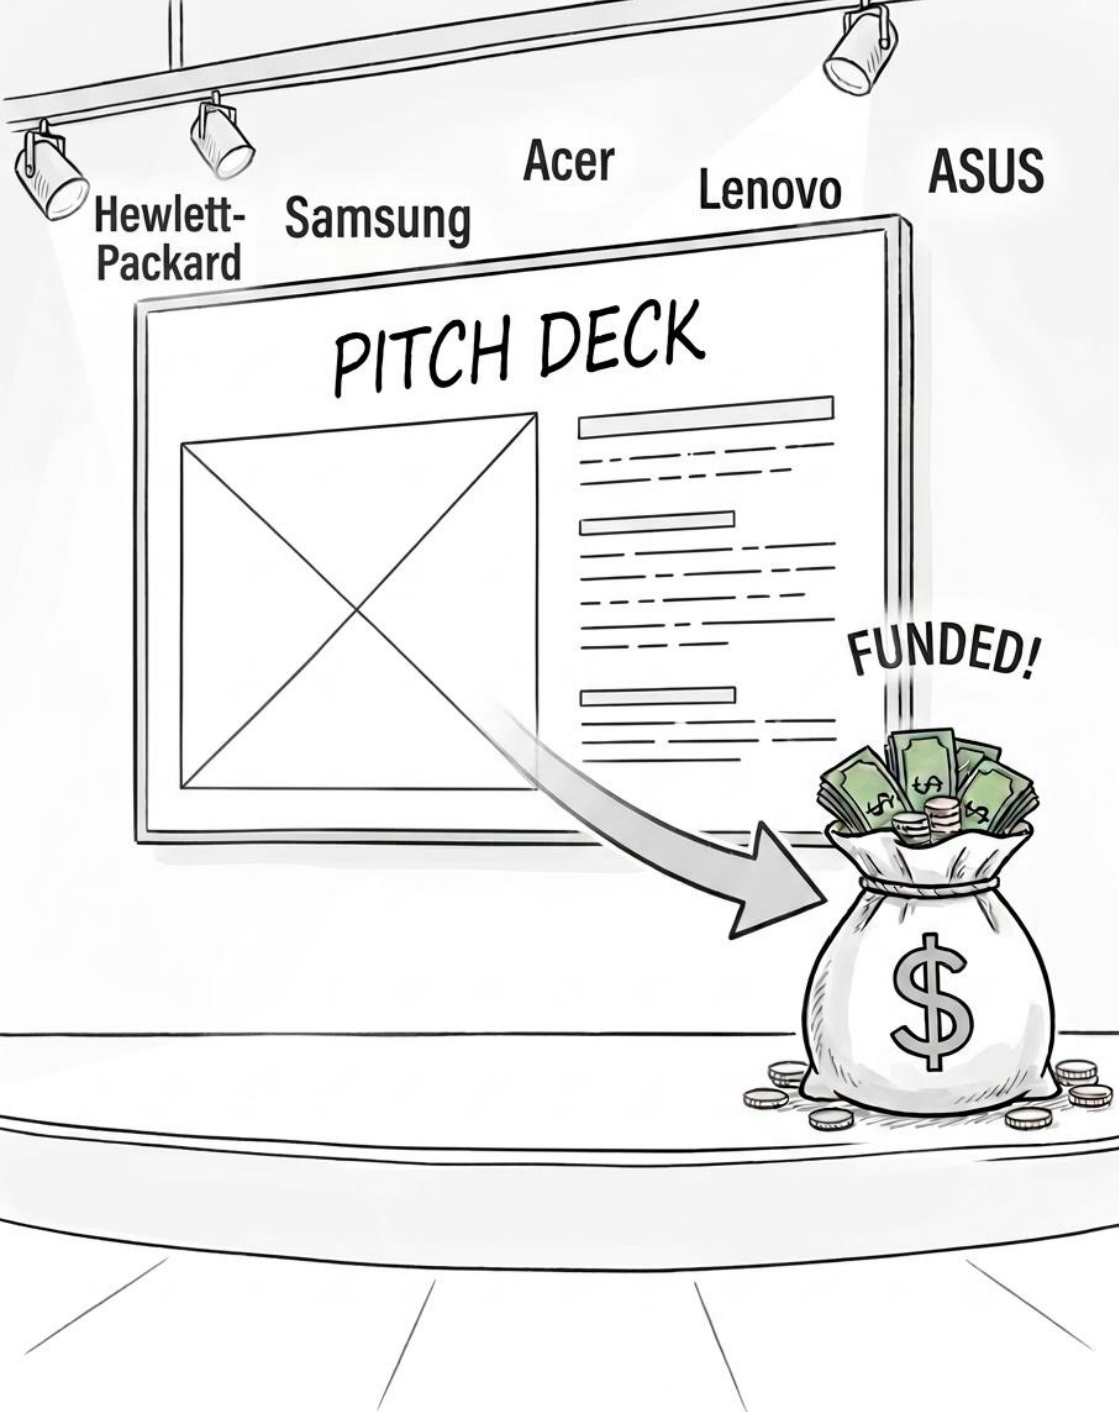

The 3-Second Test

My 10+ years as a Head of Marketing taught me how to communicate value, and build persuasive business communication.

You get clear, user-focused presentations thanks to my experience in UX/UI design.

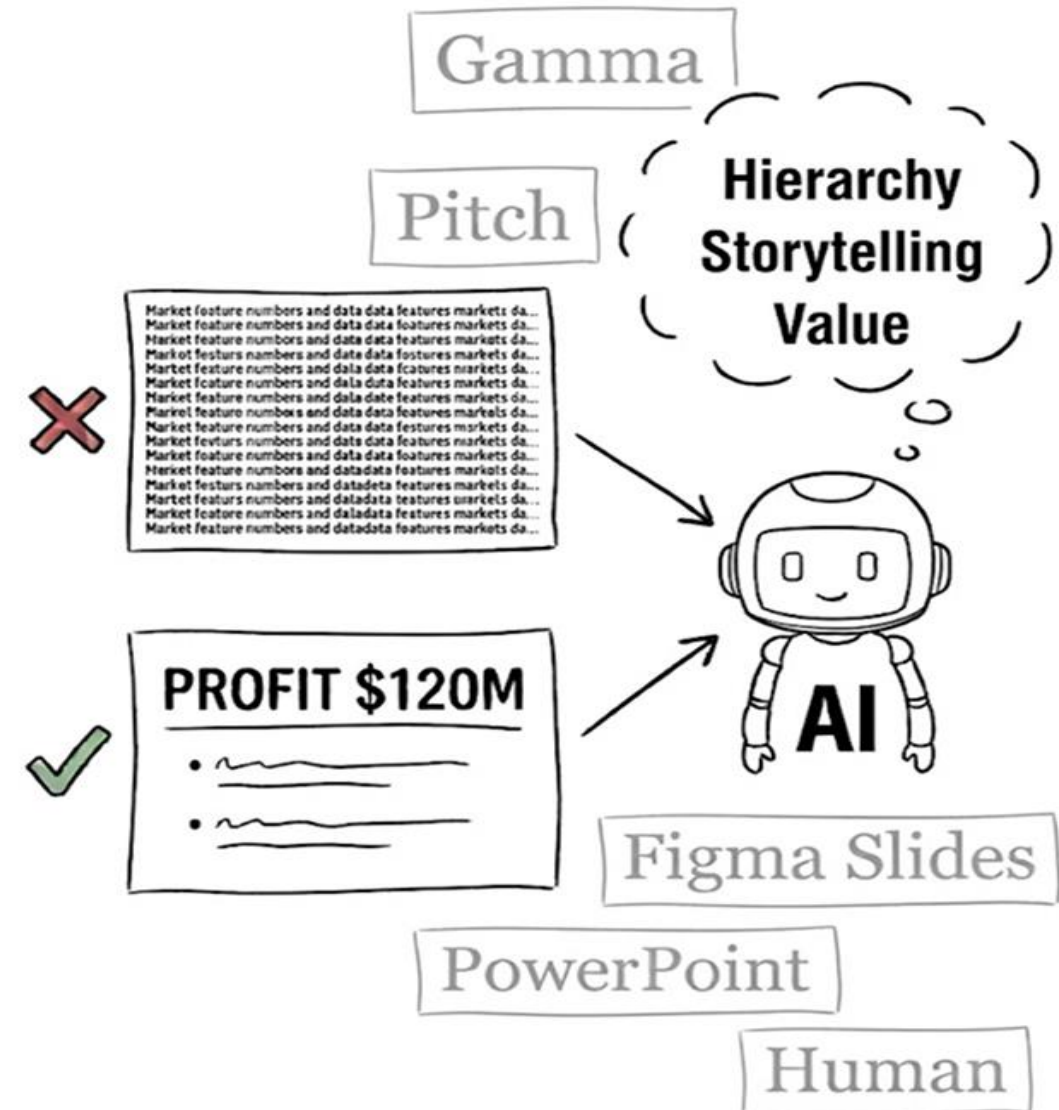

I have experience managing vendor budgets for HP, Samsung, ASUS, Acer, and Lenovo.

I'm interested in this opportunity because it is a project involving the most renowned **experts in presentation design** — McKinsey, SoftBank, and the DeepMind team — combined with the **latest trends in AI**.

A series of thin, black, overlapping geometric lines forming various polygons and triangles in the top-left corner of the page.
