Presentation Designer | UX/UI Designer

2023 - Present

Independent Projects

- AI Coach App:** Developed concept into an investor-ready MVP and pitch deck.
- Green Nest Home:** Strategy & Presentation for a social project: housing for highly-skilled women who lost their homes due to the war and Croatia green investments.
- Smart Home App:** Redesigned UX/UI interface resulting in 30% faster task completion. Improved low-vision accessibility. AI assistant implemented to reduce user churn.
- Pitch deck** design for an investment company.
- Veterinary Bookings** & CRM Elements. Design and Case Study.
- AI Motion visualizations to increase engagement.

UX Designer | UX Copywriter

2015 - 2021

Remote Collaboration with Web Studios

- Swimming Pools UX and Sales Proposal:** Strategy and landing page wireframes driving a **25% conversion rates** from ads to leads.
- Ticket Booking Service:** Built a 2-day MVP wireframe that stayed active for 6 years and scaled into an app.
- Fountains Residential Complex:** Landing page that drove lead generation (property investors & homebuyers).
- Hot-dip galvanizing.** Created marketing wireframe that increased company trust.

Advertising Manager → Head of Marketing

2004 - 2014

PJSC Tekhnika, Ukraine (No. 1 Computer Equipment Retailer until 2014)

- Cost Efficiency:** Secured vendor budgets (Acer, ASUS, HP) of \$200K+/yr, reducing advertising costs by 35-40%.
- B2B Co-marketing Presentations:** Created business proposals that secured HP, Samsung, and Edifier for an Enterprise Conference.
- Corporate Campaigns:** Directed high-ticket client motivation campaigns & international seminars.
