Presentations & Pitch Decks

10+ years of experience turning complex ideas into compelling presentations for business.

Strategy. Storytelling. Visual design.
End-to-end pitch decks. UX design for web and mobile.
Consulting → average order value growth.

Open to remote roles. EU & US time zones (daytime CET).

Pitch Deck Designer/
UX/UI Designer,
Researcher
2023-present

Independent projects

- **AI Coach app.** Turned AI Coach concept into an investor-ready MVP and pitch deck.
- Developed a social impact project Green Nest Home with 2 pillars:
housing for highly skilled women who lost their homes due to the war and for disabled people,
and investing in Croatia through greening, renovation, healthcare and elderly care.
From concept to presentation and sponsor search.
- Pitch deck design for an investment company.
- Smart Home App UX/UI/Case Study. Task completion 30% faster after iteration 2. Improved low-vision accessibility. AI assistant implemented to reduce user churn.
- Veterinary Clinic web & mobile responsive UX/UI design, with a CRM booking feature.
- AI motion visualizations.

Web Designer/
UX Copywriter
2015-2021

Worked remotely with web studios

- Ticket Booking Service → 2-day MVP wireframe live for 6 years, evolved into an app.
- Swimming Pools UX design. Up to **25% conversion rate** from ads to leads.
- Residential Complex “Fountains” wireframes drove lead generation (investors & buyers).
- Unique sales offers, call-to-actions. Competitor analysis, user personas.

From Advertising Manager to Head of Marketing
2004-2014

PJSC Tekhnika, Ukraine

- No. 1 computer equipment retailer in Ukraine till 2014
- Full-cycle marketing projects: budgeting, ATL/ BTL campaigns, corporate events. Pitch decks.
- Managed vendor budgets (Acer, ASUS, HP)
 - Reduced advertising costs **by 35–40%** by securing vendor budgets of **\$200K+** per year.
 - **Attracted Hewlett-Packard, Samsung, and Edifier as vendors** through the pitch deck.
 - Forest Park Corporate Event, Donetsk. 20 top clients motivated to purchase more.
